## Your Wedding and Girragirra

Why not base yourself for that special day in the beautiful, relaxed and totally private spaces offered by Girragirra?

At Girragirra we offer you and your attendants a fabulous place to tuck yourselves away the night before the wedding for that last minute prep, then to simply chill out.

Spend the next morning enjoying the fun and excitement of toting up in the spacious open plan living area. Stunning views to the billabong through the huge picture windows will keep you centered and calm and provide plenty of photo opportunities.

While you enjoy your ceremony and celebration afterwards, the Retreat fairies will ensure you have an immaculate space to come back to and spend your first night together as a married couple. And hey, why not come back to the Retreat post ceremony and have your wedding photos taken in our beautiful surroundings?

A late check out next morning completes this fabulous offer at the very special price of \$549 – no “wedding tax” applied here at Girragirra!

So, what’s included? Two night’s accommodation, a selection of delicious breakfast ingredients for you to prepare at your leisure on both mornings, access to the Retreat interior, gardens and surrounds to prepare and take photographs on your wedding day and our gift to you, a complimentary bottle of bubbles. It wouldn’t be a wedding without bubbles now would it?
